

READY POOL — TERMS AND CONDITIONS OF SALE

Effective July 16, 2026 · Version 1.0

1. Agreement

These Terms and Conditions of Sale (the “Terms”) govern each order for The ReadyPool placed through the Ready Pool online checkout between Ready Pool of Tampa, Florida (“Ready Pool,” “we,” “us”) and the purchaser identified on the order (“you”). By checking the agreement box and submitting an order, you accept these Terms. Website use is separately governed by the terms posted at readypool.com/terms.

2. Product

The ReadyPool is a 20×8×4 container swimming pool supplied with its standard equipment package (pump, filter, valves, skimmer and vacuum port, LED bubbler and pool light, and app control). Your order includes the exterior color and the optional upgrades you select at checkout, exactly as shown on your order record.

3. Pricing and Payment

The base price of The ReadyPool is \$36,995. Exterior color is an additional \$399 for any standard color or \$499 for a custom color specified by HEX code. Optional upgrades are priced as shown at checkout: Advanced Electric Heater \$3,650; Advanced Propane/Natural Gas Heater \$7,650; Salt System \$1,350; SlipStream Swim System \$7,200; 2 Lounge Chairs \$699. A \$5,000 deposit is due when the order is placed; the remaining balance is due in full before your pool ships.

4. Deposit and Refunds

The deposit reserves your build slot. The refund window, any incurred-cost deductions, and the cancellation procedure will be defined in Ready Pool's final Terms.

5. Delivery and Freight

Freight is quoted, arranged, and billed separately from the pool order and is not included in the order total. The checkout shows a non-binding delivery estimate calculated at \$4.85 per mile from our Tampa, FL facility (ZIP 33602). Final freight is confirmed in writing before shipping. Local pickup in Tampa and customer-arranged freight are available at no delivery charge.

6. Offload and Site Access

You are responsible for offload equipment (crane or forklift rated for the unit), operator, and a clear, level access path on delivery day. Ready Pool coordinates delivery timing but does not perform or supervise offload.

7. Site Preparation and Installation

Ready Pool does not install pools. We are the manufacturer only, and all installs should be completed by a local professional such as a contractor, handyman, or pool installer. Installation type selected at checkout (in-ground, above-ground, partially buried, or elevated) does not change the price and is collected only to guide your site preparation. Pad, excavation, structural, electrical, permitting, and code compliance are

your responsibility through your chosen professional.

8. Warranty

The pool structure carries a lifetime warranty to the original purchaser; supplied components carry a three (3) year warranty. Full warranty text, exclusions, and claim procedure will be defined in Ready Pool's final Terms.

9. Sales Tax

Applicable sales tax is calculated and invoiced based on the delivery destination. The tax calculation method for online orders is pending final selection and will be stated in the final Terms.

10. Financing

Financing is offered through third-party partners (currently Hearth at gethearth.com). Financing approval, rates, and terms are between you and the financing partner. An order paid by financing is reserved when placed and confirmed when the deposit funds are received.

11. Force Majeure and Delays

Build and shipping windows are estimates. Language covering delays outside Ready Pool's reasonable control will be defined in the final Terms.

12. Governing Law

These Terms are governed by the laws of the State of Florida. Venue and dispute-resolution procedure will be defined in the final Terms.

Questions about an order: call (813) 330-7599 or email orders@readypool.com. By placing an order you agree to these Terms and Conditions of Sale.
